

*If you have  
nematodes and  
insects,  
you need the*

## **ONE-TWO PUNCH**

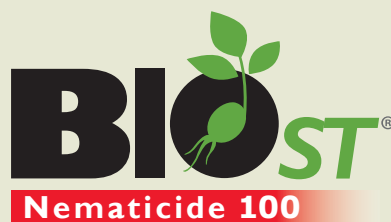

**BIOst®**

### **Nematicide 100.**

*The only seed treatment  
that provides protection  
against nematodes  
and insects.*

*BIOst® Nematicide 100  
protects against  
devastating nematodes  
like Soybean Cyst,  
Reniform, Root Knot,  
Sting, and Lesion.  
BIOst® Nematicide 100  
also fights insects like  
Seed Corn Maggot,  
Wireworm and Corn  
Rootworm that eat away  
at your profits.*

# WE HAVE THE PERFECT COMBINATION.
